Response to Restriction Requirement

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement dated February 26, 2010, Applicant submits the following response.

It is not believed that extensions of time or fees for net addition of claims are required beyond those that may otherwise be provided for in documents accompanying this paper. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefore (including fees for net addition of claims) are hereby authorized to be charged to our Deposit Account No. 19-0036.

Based on the groupings of claims in the Restriction Requirement dated February 26, 2010, Applicant hereby elects to prosecute in this application the invention of Group I, drawn to "Remote control of distribution," classified in class 445, subclass 3.03, represented by claims 1-2, 4-8, 10-22, and 24-26. This election is made without prejudice to or disclaimer of the other claims or inventions disclosed.

This election is made without traverse.
